BREAKING NEWS

Kaiser Permanente Child Health Plan has reopened to new membership in L.A. County. All other Southern California counties remain closed at this time. As a reminder this program is specifically for those children who do not qualify for Medi-Cal or Healthy Families due to unsatisfactory immigration status and higher incomes. KP Child Health Plan refresher training sessions in the Los Angeles area will begin in September. Keep posted for further updates.

ONGOING COMMUNITY OUTREACH, ENROLLMENT, UTILIZATION & RETENTION SERVICES IN LONG BEACH

Certified Application Assistors are available in the community to educate and assist eligible families in applying for Medi-Cal, Healthy Families, Healthy Kids, or other free and low-cost health care programs depending on their eligibility and resource availability. Advocates also educate families on how to use and keep their benefits. Please refer families to a location that is closest to where they live.

Note: Schedule is subject to change, best to call first.
